...

"AWANA" comes from 2 Timothy 2:15, which says Approved Workmen Are Not Ashamed.

...

"This is more than just reading our kids Bible stories. Awana is going to help me train them in learning verses and understanding key concepts."

-Tina Miles, Awana alumna and parent

"I can instantly call to mind even now the majority of verses learned during my Awana experience as a child. I can't think of a better way to get to know God than to have his words in my heart to reference and meditate on at any place and time!" -Dawn Waltz, Awana alumna and parent

Weekly Experiences

Council Time

Kids and leaders gather together for singing, announcements, awards presentations and, most importantly, a practical Bible message.

Handbook Time

Kids work one-on-one with a trained leader to complete assignments in their handbook and recite Bible verses. Awana emphasizes memorizing and understanding key verses that teach children how to know and follow God. A series of awards and trophies rewards their achievement at every level.

Game Time

Team competition takes place in our unique circle games and during other playground favorites. The Awana game circle provides maximum opportunity for children to get involved, no matter what their athletic ability. They unleash their energy while learning teamwork, sportsmanship and other character traits through their participation.

About Awana

A kids' ministry without fun is a ministry without kids. That's why Awana takes fun "seriously." Our club meetings are so exciting that kids can't wait to come back for more!

But fun is only the start. While kids are having a blast, they're learning and growing, too. They participate in games and activities that train their bodies. They learn verses and spiritual truths that expand their minds. They encounter life lessons that feed their souls. With caring, trained leaders investing time, love and wisdom into shaping children's lives, parents quickly discover that Awana is a fun approach to the serious calling of discipling kids.
