

The POWER of prayer

July 21, 2010

LOCAL MINISTRY AND OUTREACH

Sunday, July 25: Encounters with Jesus, our summer series continues from John 9, Pastor Don preaching

Stewardship: Last fiscal year ended positively by \$25,452. New fiscal year shows a \$6,176 deficit. Pray for consistent giving through the rest of the summer.

Children's Ministry: Please begin praying about our Awana leaders for this year. Pray that several parents will value the program for their children enough to invest their time in leading. Last year, we waited until the last possible day before we had enough leaders. It would be great to get them this year in time to be trained. Also, pray for our Fall quarter teachers and staff.

Student Ministry: Praise God for the arrival of Joey and Jenna Woestman. Joey has begun his work as our Pastor of Student Ministry. Pray for their good connection with students and staff; and for the search for a house.

Adult Ministry Pastor Search: Pray for development of the position description, the gathering and processing of feedback from the congregation, and the Search Team of Mindy Brant, Chelsea Mohler, Peter LeBlanc, Tom Macy, Fred Rescorla, Brenda Soderstrom and Sam Wood.

Church Plant: Pray for Pastor Don's leadership and the formation of a healthy launch team over the next 6-8 weeks. Also, pray for clear guidance as we explore partnering with Indianapolis Public Schools.
